

The current material was created by the participants of the training course “Rebuilding Lives through Employment” that took place from 19 – 25 of February 2018 in Athens and its main theme was young immigrants/refugees’ unemployment. One can find more information about the project in the following link: <https://rebuildinglivesetc.wordpress.com/>

Strategic partnership Plan

Problem to be solved: Lack of information about the bodies that provide support to immigrants/refugees.

Solution: Creation of an application like a map that immigrants/ refugees could access and find all the bodies (public, private) that provide psychological, educational, employability, accommodation, financial, cultural or any other kind of support.

Partners:

1. Romania
2. Greece
3. Turkey
4. Bulgaria
5. Portugal
6. Lithuania

Stakeholders

7. Civil society organization / NGOs
8. Municipalities
9. Google Maps

11. Local bodies
12. Universities

Target group:

18-30 years old / immigrants, youth and social workers, NGOs, local bodies

Main Activities/ Steps:

- Coordination actions
- Research on the info to be included in the application (focus groups/questionnaires) addressed to young immigrants and people active in the youth field in order to identify the kind of support that is more needed by our target group. Output: List of needs and categories of services to be included in the application.
- Research on the bodies providing the selected services. Output: list of the bodies with contact details.
- Personal meetings with the relevant bodies of the list to discuss about their services and set agreements for their inclusion in the application.
- Creation of the application.
- Testing with potential users
- Application's dissemination

MAIN RESULTS

- Better understanding from NGOs on the target group's problems and needs.
- Facilitation of immigrants/refugees daily activities.
- Increase of their involvement in the local community -integration
- Target group's increased trust towards the civil society sector.
- The target group will feel more comfortable and supported.
